Dear Scouts and Parents,

As you are all aware, we have finished our Scout Hall building addition and renovation. During our pre-construction and construction phases we had a capitol campaign engraved brick fundraiser. We also had an amazing outpouring of help during our construction from the help of local businesses to construction companies. We will be forever grateful to everyone who stepped up to finally bring this decades long dream to fruition!

Now that our Scout Hall is complete, we are still offering our engraved brick fundraiser. These funds will go towards the upkeep and maintenance of the building. If you are interested in an engraved brick kindly fill out the form below and return it with your check to the scout hall.

Our gratitude is overflowing with everyone's generosity and wish you all a lifetime of joy and happiness.

Your brick(s) will be proudly displayed on the front porch of the scout hall. Come out and check it out.

Thank you for your support,  
Orwigsburg Boy's Club and Boy Scout Troop 624
